Bruce Nussbaum: Creative Intelligence is a way of amplifying our creative capacities. It’s a series of five competencies that we can all learn to bolster our skill at generating originality that has value, often economic value.

Bruce Nussbaum on Creative Intelligence, from Connecting ...

Harness the power of creation by taking what is, then making it into what it can become. Life is not about finding yourself but rather creating who you wish to be. The cost of anything is what you are prepared to do to obtain it. Your life is the result of the accumulated choices you have made. ...
