3 Bulwark of Defense (Ex) – Although it is technically not the signature ability of the Knight, it might as well be. This causes all space you threaten to become difficult terrain for your foes. This means that they cannot 5-foot step sideways away from you, nor can they step into you with a normal weapon.

Say the base chance to proc is 10% based on a 2.5 speed weapon. You would then see that drop to 6.8 (1.5 / 2.5 = 68% | 68% of 10%). Likewise, if you were using a weapon with a slow swing speed like 3.8 you would have a realized proc rate of 15.2%. And with additional reading provided below, the actual rate has been discovered to be:

Many people play Pathfinder instead of 3.5 by now, but want all (well, most) of the goodies 3.5 brought to the table. Much of it is very easy to port straight over, but Tome of Battle is a little more difficult, mostly because of the changes to skills that Pathfinder included. That being said, here is an excellent guide to porting it over.
