After all, your responsibility as a leader is to support your people appropriately, and to make sure that they have everything they need to do their jobs effectively. When things go well, you all share the credit and rewards. The same should be true when things don't go well. However, you shouldn't defend your people's actions in all circumstances.

Standing Up for Your People - Management Skills from ...

"Choose your battles wisely. After all, life isn't measured by how many times you stood up to fight. It's not winning battles that makes you happy, but it's how many times you turned away and chose to look into a better direction. Life is too short to spend it on warring. Fight only the most, most, most important ones, let the rest go."
