"Used". Great little tractor, starts really well without any heat even in the winter. I bought it to run a pressure washer while my Massey was having a engine rebuild. The engine has been changed at some point as it's a different colour. (before my time) Everything works, hydraulics, PTO and lift arms just a little rough around the edges as you can see ...

Massey Ferguson Tractors Information - SSB Tractor Forum

The tractor played a large part in introducing widespread mechanised agriculture. In many parts of the world the TE20 was the first tractor to be affordable to the average farmer and was small and light enough to replace the draft horse and manual labour. Many TE20s remain in regular use in farming and other work and the model is also a popular ...
