History Of Japan 660 Bc

Emperor Jimmu was the first legendary Emperor of Japan according to the Nihon Shoki and Kojiki. His accession is traditionally dated as 660 BC. In Japanese mythology, he was a descendant of the sun goddess Amaterasu, through her grandson Ninigi, as well as a descendant of the storm god Susano. He launched a military expedition from Hyuga near the Seto Inland Sea, captured Yamato, and established this as his center of power. In modern Japan, Jimmu's legendary accession is marked ...
