Sociology. Studying the way people organize themselves into societies and institutions? We break down the science of social relationships from families to entire civilizations.

Sociology Study Guides - SparkNotes

It suffers from many misplaced readings that are often stretching to fit into the category they are assigned to. The first half of the book seems to be much stronger than the second half, I am not sure if this is by mere chance or is intentional. I absolutely would not recommend this book for sociology, there are far better books available.
