will have you feeling grateful to be alive in an era of modern dentistry.

The Excruciating History Of Dentistry Book Summary and ...

A breezy romp through the history of dentistry that will be excruciating only for those pained by word play, especially puns. Comedy writer Wynbrandt has fun with this one, but he has filled it with facts, too. He covers the world of tooth care from the Babylonians of 5000 b.c., worms and devils and treated them with henbane and prayer, to today's film stars with their dentist-crafted ...
