The Power Of Being A

Michael Tubbs is the youngest mayor in American history to represent a city with more than 100,000 people -- and his policies are sparking national conversations. In this rousing talk, he shares how growing up amid poverty and violence in Stockton, California shaped his bold vision for change and his commitment to govern as a neighbor, not a politician.

The Amazing Power of Being Present
'Walk as if you are kissing the Earth with your feet.' ~Thich Nhat Hahn. Post written by Leo Babauta. How can you bring calm and peace to the middle of a stress-ful, chaotic day? The answer is simple, though not always so easy to put into practice: learn to be present.

The Amazing Power of Being Present : zen habits

Most of us are under the impression that opposites attract. And although this may be true for magnets and couples in bad romances when it comes to the spirit, the opposite is true: like attracts like. In its simplest form, this means that if you learn to harness the power of positive thinking, you'll attract more positive circumstances. However, if you're negative, you'll attract more ...

The Power of No Wielded wisely, No is an instrument of integrity and a shield against exploitation. It often takes courage to say. It is hard to receive.

The Power of No | Psychology Today

Being content with such simplicity would give them the independence from foreign commercial powers, and eventually (as they are part of the same organism) foreign political powers. So social change can still happen if you are content with yourself, with your life, but not content with the system of oppression around you.

The power forward (PF), also known as the four, is one of the five positions in a regulation basketball game. Power forwards play a role similar to that of center. They typically play offensively with their backs towards the basket and position themselves defensively under the basket in a zone defense or against the opposing power forward in man-to-man defense.
