violent combatants into political actors in transitions from civil wars—the ZANU/ZAPU movement in Zimbabwe and the FMLN in El Salvador. Three factors—a) the nature and extent of international influence on the rebels, b) the rebels' level of popular support and c) the type of electoral system are hypothesized to impact rebels' decisions.

Transforming liberation movements into political parties is a long-term problem, an effort that cannot take place overnight. These movements lack diplomatic experience, and they focus on military instead of political leadership, as political pluralism and multi-party systems are often not accepted.

Transforming Violent Conflicts in Africa -Challenges and ...

A political movement is a collective attempt by a group of people to change government policy or society with mainly political goals. Political movements are usually in opposition to an element of the status quo and are often associated with a certain ideology. Some theories of political movements are the political opportunity theory which states that political movements

The Freedom Rides And The Civil Rights Movement - 1010 ...

The Queeroo after the 2018 political transformation. If the movement was relatively peaceful before the coming to power of an Oromo prime minister, what transformed it into extremely violent groups. The paradox is that the country is being heavily "oromized", with very important positions occupied by the Oromos.
